THE POINT AGM – 10 May 2023

Worship Team Report

The worship team have continued to serve regularly week in week out arriving at 8:30am every Sunday to empty our container and set everything up hoping to be ready for 10:30. Before covid the team had 39 members, this reduced significantly when we first started back but has now grown to 25 members, we look forward to it continuing to grow!

Some highlights from the year include our nativity service in December which involved four different stages with amazing performances from our youth team interspersed with singing carols, it was a great service with everyone taking part sharing the story of Jesus birth. We then had a carol service with Bishop Ruth speaking and that evening was when the snow fell heavily which meant we were down on numbers but it was a special time for those who managed to get there.

Church In A Pub continues each term at The Woolpack with various speakers including Paul Mundy the vicar of Newick. Paul ran a pub for 23 years before becoming a vicar so Lance (The Woolpack Landlord) enjoyed listening to Paul's story.

We also had a worship leader swap with King's church. Stuart and Kyle went to King's one Sunday morning and led worship with their musicians. A couple of weeks later, Dan Lank (King's worship leader) came and led worship at The Point with our team.

We continue to work with St Edward's and Phil Middleton (St Edwards worship leader) has been leading worship at The Point once a month.
